Playoff Seeding

Points:

Regulation win - 3 points OT/SO win - 2 points OT/SO loss - 1 point

Maximum amount of goal differential for a game is 6.

Tie Breaker rules

Seeding after the 3 game round robin play will be determined by the following criteria for teams tied with the same amount of points:

1) Head to head.

- in the event 3 or more teams are tied, all tied teams must have all player each other to determine a clear head to head winner. If not applicable, we will move past head to head and continue to the tie breaker criteria. In the case of 3 or more teams tied once a higher seeded team is determined it immediately goes back to head to head amongst the remaining teams to determine the next highest seed and so forth.

2) Total wins

3) Most regulation wins

4) Best goal differential (GF-GA)

5) Fewest Goals Against

6) Most goals for

7) fewest penalty minutes during round robin

8) Coin flip
